Highlights

KINETIC CARDS:

Are you ready for something more adventurous? Kinetic cards are cards that move. Like waterfall cards, pop-up cards, and sliders, these cards add a movement to the basic "opening" of a card. Sharon Bessinger has designed three kinetic cards and will be teaching a class on how to make them. Not only do they move, but they are her cute paper-pieced style. You don't want to miss this class. *March 15, 10:30 a.m.-12:30 p.m. \$15.*

ALLENE'S CARDS:

Allene has designed 4 terrific cards in her unique and fun contemporary style. For March, Allene has 3 cards, one with a St. Patrick's day theme and another with some glimmer mist flowers. She has also designed an adorable mini flower pot for a cute spring decor item to

give away or keep for your home. Please bring a set of chalks if you have them. *March 12, 1:30 -3:30 p.m. Allene. \$20.*

BASIC GREY TUESDAY

This class is for those who are participating in the monthly Basic Grey Page of the Month but anyone is welcome to attend. Jacki designs two additional 2-page layouts using the leftover paper and embellishments from each month's kit. *Tuesday, March 15, 1:30-3:30 p.m. Jacki. \$15 plus supplies.*

CREATIVE CHALLENGE:

March theme: faith

The challenge is to make any paper craft project for the stated theme. This can be a card, scrapbook layout, ATC, art board, etc. Each entry gets you one ticket into the month's drawing for one of three

gift certificates to Creating Lasting Memories.

ATC EXCHANGE

March = "O"

Make 10 cards, keep one for yourself and bring 9 into the store. Receive 8 wonderful creative cards back. Cards are due by the last business day of the month. Cards are available to be picked up two business days later.

March Blog

Our theme on the blog for March will be showcasing some of my favorite places to go on the internet for inspiration and new ideas. We'll look at some blogs and some websites, hopefully finding sites for both scrapbookers and card makers. Join me!
